**RE: Concessions on Lot 2, 3,4 Tutoh and Apoh Land District**

Dear Datuk Patinggi Abang Johari Bin Tun Hj. Openg,

We, the people of Bateu Bungan, Long Terawan and Kampung Melinau are all affected by the planned oil palm plantation of Radiant Lagoon Sdn Bhd and Formasi Abadi Sdn Bhd (Lot 2, Lot 3, Lot 4; Tutoh und Apoh Land District). Hereby, we would like to express our deepest concerns about the destruction of our forest by the mentioned companies.

The mentioned area is a crucial part of our traditional land. We wish it will stay our home and the home of our children and all future generations. Since immemorial times and until today, we live in and highly depend on our beloved forest. We cannot accept it to be destroyed and transformed into a plantation. Rather than losing it, we want to protect the diversity of the surrounding of the Mulu World heritage in the Heart of Borneo. It should remain an attraction for tourists and an important ecosystem for the whole world.

We haven't been consulted by the companies, although we are living here since many generations. We strongly oppose to the plantation, because it will not be good for us. We kindly ask for our native customary rights to be respected and to let us living peacefully and in harmony with our forest.

We hope our voices are being heard. Only if society respects our rights, we can be full citizens of this country and contribute to the future of it.

We are thanking you for your attention and firmly awaiting your response and action.

Yours sincerely,

TK Ukau Lupung  
Headman of Bateu Bungan
